Dunn Edwards Pre-Approved Paint Colors

The Dunn Edwards color schemes below are pre-approved for the following roof colors only. First identify your roof color to determine which schemes are pre-approved for your home. If you would like to see Dunn Edwards color swatches of each scheme, you can use their [website](#), select "Arizona", then "Scottsdale", then "McCormick Ranch (roof color)" and then click search. The schemes approved with the roof color chosen will be displayed. You can print the scheme you like best and submit it with your Paint Application for staff approval. If you have any questions, please contact the office at 480-860-1122, ext. 200, and a staff member will walk you through the process.
